

## ABOUT THE ALLOCATION OF THE SKPI-SCHOLARSHIPS

### I. CONDITIONS, ASSUMPTIONS AND RULES

#### A. Target audience or who is it for?

- a. For pupils from primary school (SD) and SMP (junior high school)
- b. For students of the SMK (vocational school)
- c. For children from families who are unable to have their children attend school for whatever reason.

Reasons can be:

1. Poverty
2. No KTP (local identity card)
3. Do not have access to a public school.

#### B. What is a SKPI-scholarship for?

- a. A SKPI-scholarship is a reimbursement/compensation for the annual school fee of a private school.
- b. A SKPI-scholarship is a reimbursement/compensation for the annual **extra** school fee of a public school, which this school imposes even though attending education (SD and SMP) is free of charge in Indonesia. That is why a SKPI-scholarship recipient on a public school had to make clear why this public school asks for that extra contribution.

#### **BUT:**

- c. A SKPI-scholarship is **not** intended to meet the direct expenses (such as books, uniforms, stationeries/worksheets, monthly extracurricular school activities, etc.)
- d. A SKPI-scholarship is also **not** intended to meet the indirect expenses (transportation, food and drink, pocket money, extra lessons such as: spirituality, character building, working in team by playing games, dancing, etc.)

#### C. What is the SKPI-scholarship never intended for?

- a. To supplement the school budget of public and/or private schools.
- b. To purchase school materials, such as setting up IT rooms.
- c. To supplement the salary of non-certified teachers from both public and private schools.
- d. To supplement the salary of so-called "honorary" teachers from both public and private schools.
- e. To supplement the salary of teachers working at a private school (Catholic-Protestant- Islam-Buddhist and so on).

## II. THE PROCEDURES OF THE SKPI-SCHOLARSHIPS PROGRAM. IMPORTANT REQUIREMENTS FOR REQUESTING SKPI-SCHOLARSHIPS.

### A. Procedure questions about selection:

General question: who coordinates and is ultimately responsible for the selection process and the awarding of the SKPI-scholarships for children?

- a. Who coordinates and is in the end responsible?
- b. What is the implementing time schedule of this SKPI-scholarship program?  
When does it starts and when it will be finished?
- c. How do you survey/find the place and eligibility of a child/family for a SKPI-scholarship? What is your method?
- d. Who selects, accepts and decides which child/family are eligible for a SKPI-scholarship, and based on which criteria?

A demand of the SKPI foundation is that Yayasan Kasih Mandiri Bersinar and Yayasan Realino have to be the head of the selection committee and no one else.

### B. General question about the specific distribution of the SKPI-scholarships: who has the final financial responsibility for this?

- a. Kasih Mandiri, Realino?
- b. And who from e.g. Kasih Mandiri in Flores-Ende? Name and so on?
- c. To whom do those SKPI-scholarships go? To the schools, parish, parents/children?
- d. How and who checks the payments?

### C. Progress check:

- a. Who checks the reports / progress of the children for the granting of the SKPI-scholarships for the 2nd semester of a school year?  
If there are no school reports at the end of the 1<sup>st</sup> semester, the SKPI-scholarship should stops immediately.  
Who are checking this?

### D. Making a List of schools (a.) and a list of the SKPI-Scholarship Recipients (b.)

- a. - School (SD-SMP-SMK)
  - Private (charge of school fee)
  - Public schools with **free** of charge of school fee
  - Public schools with an **extra** charge of school fee
- b. Make a well-organized list of children, in which it is clear
  - which school they attend, public or private
  - have to pay school fees or not
  - or still have to pay an extra contribution (public school)
